

Seismic Retrofit of Automated Storage Systems in a High-tech Fabrication Plant

National Cheng Kung University

George C. Yao et al., Department of Architecture ,National Cheng Kung University, Taiwan

- Intensity of Meinong EQ in 2016.
- 3*1 and 3*4 retrofit STK shaking table tests for retrofit strategies.
- Retrofit strategy is to reduce amplification ratio shown in transfer function.
- 4*2 retrofit STK shaking table tests for final retrofit verification.
- Computation analysis results for before and after retrofit.
